Athletics NorthEAST

Application for Elite Athlete Travel Funding

Eligibility

- Member of ANE for two or more years.
- Have met qualifying standard within the eligibility period:
  - Half-Marathon or Marathon: 1 year
  - Other Races: 6 months
  - Triathlon: 1 year
- Qualifying standard achieved at a recognized race event with measured course. Use the NLAA standards for road-running.
- Competition to be attended is a national or international championship event or qualifying event.
- Have applied for all other available sources of travel funding.
- Have not received the club's maximum lifetime travel funding ($1,500).

Program

- Club members who have an opportunity for a high placing in a national or international championship event, or qualifier event for such competitions, may receive a subsidy for travel to the event of up to $500. Only one event per year will be considered.
- A club member may receive up to a maximum of $1,500 lifetime total funding from the club.
- Applicants must take advantage of all other available funding opportunities to be considered for club funding.
- Application must be made before the intended competition.
- High placing is considered to be either in the overall competition, or in age-group competition.
- Funded athletes are expected to race in their ANE singlet or other appropriate ANE gear, except when required to wear a sponsors colours.
